Instructions for Scholarship Application –PLEASE READ CAREFULLY!

The “Help Me Too Foundation” was founded to fund literacy schools nationally and internationally. From its inception in 2003 unofficially has helped more than 11, 000 children and young adults learn how to read and write up to High School without any governmental support. Through the help of Cornerstone Christian University and some individual support, Help Me Too Foundation has issued over 1,300 scholarships to deserving students who have surrendered their lives to Christ and His service.

While we have provided scholarship to hundreds of students, we consistently have more applications than we have available funds to support. This means that our board must review the applications carefully, and prayerfully, to determine whom the Lord would have us provide with scholarship help to. The following instructions will assist you in completing the application.

We strongly suggest that you review the instructions and fill in every line in the application. Leaving any line blank or failing to include all supporting documents will cause your application to be rejected. All board decisions, on scholarship funding are final and there is no appeal process. If your application is rejected, and you feel that you are deserving of a scholarship, we urge you to re-apply for your next term.

Please understand that we do have fund to staff for the foundation to answer phone calls but we will respond to your email.
